

From the Editorial Bord

Letter to the Editorial Board of the *Croatian Journal of Education*:

Dear Editorial Board Members,

It would please me greatly if you could publish the following correction in the next issue of your journal:

Vol. 15 No.1/2013 of your esteemed journal published my paper entitled *Comic Strip Humour and Empathy as Methodological Instruments in Teaching* (pp.153-189). In one section of the paper, entirely resulting from my oversight, the source that I used when writing the paper was not credited. The source in question *Alan Ford-Tko vrijedi - leti 40 godina* was written by Professor Haris Cerić and published in the online journal *zurnal.info* on the 13 July 2009 (<http://www.zurnal.info/novost/170/alan-ford-tko-vrijedi-leti-40-godina>).

Since this infringement of copyrights was by no means purposeful, I wish to emphasize that the failure to refer to the source in the text and to list the source in the reference list was an unfortunate oversight on my part.

Therefore, I sincerely apologize to the esteemed colleague, Professor Cerić for this unintentional oversight. Furthermore, I wish to thank the Editorial Board for publishing this letter.

Yours faithfully,
Marinko Lazzarich

Pismo Uredništvu *Hrvatskog časopisa za odgoj i obrazovanje*:

Poštovani,

zamolio bih Vas da u novom broju svoga časopisa objavite sljedeći ispravak:

U broju: Vol. 15 No.1/2013 Vašega cijenjenog časopisa tiskan je moj rad pod naslovom *Humor i empatija stripa kao metodološki instrumentarij u poučavanju* (str.153-189). U jednom dijelu mojom greškom nije naveden izvor koji sam koristio pri pisanju članka. Radi se o tekstu doc. dr. Harisa Cerića "Alan Ford: Tko vrijedi - leti 40 godina", objavljenog u *on-line* magazinu *zurnal.info* 13. 7. 2009. (<http://www.zurnal.info/novost/170/alan-ford-tko-vrijedi-leti-40-godina>). Ni pošto se ne želeći ogriješiti o autorska prava, želim naglasiti kako je moj previd što se nisam jasno referirao na spomenuti tekst i što nisam naveo izvor u literaturi na kraju rada.

Uz ispriku cijenjenom kolegi Ceriću na nenamjernom previdu zahvaljujem na objavljenom pojašnjenju.

S poštovanjem,
Marinko Lazzarich
